

Inter Union monthly Newsletter – Sept 09

1st Event being held on the 17th October – Roundhouse Pub. More info below

Welcome to our youngest players, this season's U7's

Welcome - It gives everyone associated with the club great pleasure in welcoming all the newcomers to the club. We hope your stay with us is a good one with you & your child enjoying your time here. We would also like to take to this chance to wish anyone who left us over the summer all the best.

Newsletter - Hopefully the monthly newsletter will keep you all updated as to what's going on at the club. If anyone has anything you might want adding for October's edition then please drop a line to interadmin@inter-unionjfc.co.uk. Birthdays, weddings, anniversaries, passing exams, day trips etc are all welcome. If anyone has any cheeky pictures of the players when they were a lot younger, we would love to see how they looked before they come to us. Funniest picture of the month will win a prize..!

If anyone would like to suggest a title for the newsletter then send it into to me and the winner will win a prize.

Summer success – The close season saw last season's 13's led by Simon Archer take on and beat teams from Spain & England in the Catalonia Cup. The games were hard but the lads enjoyed the trip and the club is looking forward to repeating the feat with this season's age group.

Inter JFC on tour 2009

Inter v's Llort De Mar JFC

On the way home with the cup

The management team aka (Itchy & Scratchy)

The 7's saw a double attack in the summer break when their run in the Manchester "Champions Cup" cut short when they lost on penalties in the final and they suffered the same heartbreak in the Halewood summer league when they again got through to the final where they were beaten by an excellent Kingsthorpe side. The 11's were also in good form when they won this year's inaugural Anglo Welsh cup. It was played over 2 days and the lads who took part deserved the title and it's a tournament that we are looking forward to defending again next year.

Congratulations – The club is based on good solid training techniques and such techniques breed good players and it's our pleasure to announce that Liam Goff from last season's u13's has signed forms with Wigan Athletic. It's a 2 year agreement that will hopefully see Liam progress through the ranks.

We also have to say goodbye to James Thompson from last season u8's. James has been a keeper we all knew was something special and this didn't go un-noticed when James was playing for St Helens Town amongst others. It was left to Manchester Utd to knock on James door and we will all be "keeping" an eye on you James.

Inter also have had a number of other players on trial with various teams around the area and we will keep you updated on their progress.

New home – With the club now standing at 9 team's strong, we have again had to move our home, this time Stockham Fields. It was a pity we had to leave Sutton Fields that had the best surface in the league but with growth comes decisions and it was a hard but obvious one to leave. Let's hope with some of the same TLC, these pitches can be just as good, if not better than we have had before.

Pitches – Talking of our new home, could we please remind all spectators to make an effort to keep the sidelines of the pitches clean after each game? Bags will be placed around the pitches for any rubbish but if there isn't one available, please take any remains away with you. Halton High has kindly allowed us to play on these pitches and it up to us all to try to keep them as tidy as possible.

New secretary – We would like to welcome Ciaran Clotworthy to her new role as club secretary. It's a thankless task that was previously filled by Andy Thompson but as his son, James was picked up by some team called Manchester Utd, Andy sadly had to leave. Big thanks to Andy and a nice shiny new welcome mat to Ciaran. If anyone wants to help in any roles within the club then please let her know and she will probably be glad of your offer.

Match reports – If anyone wants to send in a report of any game's then please send it to interadmin@inter-unionjfc.co.uk and it will be put on the website for the players to see and hopefully also make it into the paper. It might be a good idea if you could get the players to write there own report. You never know, we might have a budding Stuart Hall hiding among them. (Ask your parent's. They will explain..!!!!)

Inter Email address – If anyone wants an namehere@inter-unionjfc.co.uk email address then please send your preferred username and password to interadmin@inter-unionjfc.co.uk. It's a POP3 account that can be configured into you email client Outlook or Outlook Express but can also be accessed as web mail through your Internet Explorer.

Fund-raising – Over the course of the season, we will be having numerous events to raise funds. These events are for the club, not just the team who runs it. Every year, it's our aim to take that season's u13's to a football tournament abroad. Last seasons tour saw Simon Archers team return with the Catalan trophy and it's our hope that this season's u13's run by Jay Maddock can emulate this feat. The 1st event of the season is taking place at the Roundhouse pub in Weston Village on Saturday the 17th October. This will consist of a number of events during the day for the younger players in the club and then will carry on into the evening with a race night for the adults. It will be a good chance to see the new parents and players and also some of the old faces who are still with us. If anyone has any idea's on anything then please approaches any of the committee who will gladly see if we can run with it.

Also for those who are not aware, we also run a "bonus ball lotto game". John Hodnett whose son plays for this season's u12's run's this and we would be glad for any new players. Its £1.50 per week with 50p going to the club and £1 to the prize fund. Please help us get more names on the board when game 1 finishes in the next few weeks.

Finally - Whilst this club was created to allow players to play each week in a safe and fun environment, it's also a club for everyone from parents & guardians to granddads and grandmothers to be involved in. This is the best run and best supported club in the area and it's because of the people involved in it that makes Inter Union JFC what it is and we look forward to seeing you all over the course of the season.
